In re:)	Chapter 11
CELSIUS NETWORK LLC, et al.,1)	Case No. 22-10964 (MG)
	Debtors.)	(Jointly Administered)

DECLARATION OF QUINN LAWLOR IN SUPPORT OF DEBTORS' MOTION TO ENFORCE THE AUTOMATIC STAY AND FOR CIVIL CONTEMPT

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Celsius Network LLC (2148); Celsius KeyFi LLC (4414); Celsius Lending LLC (8417); Celsius Mining LLC (1387); Celsius Network Inc. (1219); Celsius Network Limited (8554); Celsius Networks Lending LLC (3390); and Celsius US Holding LLC (7956). The location of Debtor Celsius Network LLC's principal place of business and the Debtors' service address in these chapter 11 cases is 121 River Street, PH05, Hoboken, New Jersey 07030.

I, Quinn Lawlor, declare:

- 1. I am the Chief Strategy Officer of Debtor Celsius Mining LLC, formerly Celsius Core LLC ("Celsius Mining" or "Celsius"). I submit this Declaration in support of the Debtors' Motion to Compel Core Scientific's Compliance with the Automatic Stay.
- 2. As Chief Strategy Officer, I am generally familiar with Celsius' contracts with Core Scientific and Core Scientific's conduct both before and after the Debtors filed the chapter 11 cases on July 13, 2022 (the "Petition Date"). Except as otherwise indicated, all facts in this declaration are based upon my personal knowledge, my discussions with other Celsius employees who are familiar with Celsius' dealing with Core Scientific, my review of relevant documents and records, or my opinions based upon personal experience and knowledge.

I. The Agreement

- 3. Attached hereto as **Exhibit A** is a true and correct copy of the Master Services Agreement ("MSA"), executed by Core Scientific and Celsius Core LLC f/k/a Celsius Mining, on December 18, 2020. Under the MSA, Core Scientific agreed to provide certain services in connection with Celsius' digital-asset mining rigs, including services relating to colocation, hosting, monitoring, maintenance and repair, technical support, and heat and thermal management. Core Scientific agreed to perform these obligations in a "professional and workmanlike manner." See MSA § 5. The MSA also provided that it would be supplemented by certain "Orders," which would incorporate the terms of the MSA, and specify the rigs to be deployed, the deployment schedule for those rigs, and the terms of payment. *Id.* § 1(a).
- 4. As the MSA contemplated, Celsius and Core Scientific executed a series of specific Orders. At the time the MSA was executed, Celsius and Core Scientific simultaneously entered and executed Order #1 through Order #7. See **Exhibit A** at 10–23. Core Scientific and Celsius later signed Order #8, but they subsequently cancelled it and refunded all deposits. On August 22,

2021, Core Scientific and Celsius signed Order #9, which concurrently terminated Order #5. A true and correct copy of Order #9 is attached hereto as **Exhibit B**. On September 27, 2021, Core Scientific and Celsius signed Order #10. A true and correct copy of Order #10 is attached hereto as **Exhibit C** ("Order #10). Order #10 set forth a schedule by which Celsius would supply, and Core Scientific would deploy, Celsius mining rigs between September 2021 and December 2022.

5. Order #10 obligates Core Scientific to provide a specified power allocation beginning in certain months of the contract. It details this power allocation by identifying the deployment month (e.g., "Sep[tember] 2021"), the approximate quantity of rigs to be deployed (e.g., "2,250"), the type of rig ("M30S+ or Equivalent"), and the assumed power consumption per rig in "KWh" or kilowatt hours (3.57 KWh), as follows:

Equipment hosted**:	Deployment Month	Quantity & Type of Unit (the "Units")	Assumed power consumption per Unit (KWh):
	SEP 2021	2,250 - M30S+ or Equivalent	3.57
	MAR 2022	3,530 - M30S+ or Equivalent	3.57
	APR 2022	4,710 - M30S+ or Equivalent	3.57
	MAY 2022	2,350 - M30S+ or Equivalent	3.57
	JUNE 2022	2,350 - M30S+ or Equivalent	3.57
	JUL 2022	2,350 - M30S+ or Equivalent	3.57
	AUG 2022	2,350 - M30S+ or Equivalent	3.57
	SEP 2022	2,350 - M30S+ or Equivalent	3.57
	OCT 2022	2,350 - M30S+ or Equivalent	3.57
	NOV 2022	2,350 - M30S+ or Equivalent	3.57
	DEC 2022	2,350 - M30S+ or Equivalent	3.57

6. The power allocation due to Celsius beginning in a particular month is calculated by multiplying the specified quantity of rigs by the assumed power consumption per rig. For example, the total power allocation for September 2021 was 2,250*3.57kW=8,032.5 kW, which is 8.03 megawatts ("MWs"). So, beginning in September 2021, and continuing through the term of Order #10, Core Scientific was to provide Celsius an allocation of up to 8.03 MWs of power. Then in March 2022, Core Scientific was to provide Celsius an additional 12.6 MWs of power availability (3,530*3.57 kW=12602.1 kW), for a total amount of available power in March of up to 20.63 MWs. By September 2022, Core Scientific is obligated to provide Celsius up to 79.4 MWs of

22-10965-mg Doc Filed 09/28/22 Entered 09/28/22 22:55:09 Main Document Pq 4 of 229

power availability. And by December 2022, the total power allocation Core Scientific must provide under Order #10 is approximately 105 MWs. This is the hosting capacity to operate approximately 29,000 rigs of the type specified in Order #10 ("M30S+ or Equivalent"). However, Order #10 is based on total power consumption, so if Celsius chooses to deploy a different, more efficient type of rig that consumes less power on a per rig basis, Celsius is entitled to deploy more rigs than the quantity specified in Order #10 in order to consume its full power allocation.

7. Order #10, and the preceding Orders (Order #1 through Order #9), specify that Core Scientific is obligated to provide hosting services to Celsius at a fixed rate, called the "Hosting-Services Rate." This rate includes both the cost of energy usage and a services fee for operating the rigs. Order #10, like Order #1 through Order #9, states that Celsius' fees will be determined "by reference to the Assumed power consumption per Unit of each deployed Unit, multiplied by the Hosting-Services Rate (each as set forth above in this Order)." Order #10 at 4; see also Exhibit A at 10–23, Exhibit B at 1. The fixed rate means that if the spot price of power increases, Core Scientific cannot pass through that increased cost to Celsius. The fixed Hosting-Services Rates of Order #10 and the preceding Orders were an essential term of the agreements for Celsius because it meant that Core Scientific, not Celsius, would bear the risk of rising power rates. Order #10 sets the following Hosting-Services Rates over the term of the Agreement:

Hosting-Services Rate:	Deployment Month	Hosting-Services Rate:
	SEP 2021	USD \$.0575/ KWh; USD \$.06/Kwh
		after hosting month 12
	MAR 2022	USD \$.0593/ KWh; USD \$.06/kwh
		after hosting month 12
	APR 2022 - DEC 2022	USD \$.00625/ KWh; USD \$0.6/kwh
		after hosting month 12

8. Finally, Order #10 requires Core Scientific to notify Celsius of additional hosting availability as it becomes available. Order #10 states that Core Scientific "will notify [Celsius] as soon as practicable of additional hosting availability, if any, and provide [Celsius] up to 10

additional MW per month at a hosting services rate of \$0.0625 per KWh. Additional hosting availability if available will be the subject of a separate order and provided to [Celsius] on a priority basis, subject to [Celsius'] acceptance." Order #10 at 4–5.

9. To date, Celsius has paid Core Scientific approximately \$18.2 million under Order #10, and Celsius has continuing payment obligations on Order #10 of approximately \$5.4 million.

II. Core Scientific's Deployment Delays

- 10. Celsius has delivered a total of 10,885 rigs into Core Scientific's possession under Order #10. As stated above, as of the end of September 2022, Celsius is entitled to approximately 79.4 MWs of power. This is the hosting capacity to operate approximately 22,000 rigs of the type specified in Order #10. However, Core Scientific is currently deploying only 6,564 of Celsius' rigs under Order #10 and supplying a total of approximately 21.5 MWs of power. Thus, Core Scientific's current shortfall under Order #10 is approximately 58 MWs of power and at least 15,700 rigs.
- 11. Celsius delivered its 10,885 rigs under Order #10 to Core Scientific in three tranches. Each time, Celsius had to wait months for its rigs to come online. Celsius delivered an initial tranche of 2,245 rigs under Order #10 to Core Scientific between the end of October and mid-November 2021. Core Scientific did not fully deploy those rigs until January 30, 2022.
- 12. Celsius delivered a second tranche of 3,780 rigs to Core Scientific at the end of March 2022. By May 25, 2022, the March rigs were still not deployed. Celsius attempted to resolve that issue amicably by reaching out to Core Scientific. Attached hereto as **Exhibit D** is a true and correct copy of May 25, 2022, email correspondence between Celsius Mining's Chief Executive Officer, Amir Ayalon and Core Scientific's Executive Vice President of Client Services, Russell Cann. Mr. Ayalon asked Mr. Cann to confirm that the 3,780 March rigs (and plus an additional 4,710 rigs from other Orders) would be deployed by June so that Celsius could "put into our

22-10965-mg Doc Filed 09/28/22 Entered 09/28/22 22:55:09 Main Document Pg 6 of 229

working assumptions on deployment activities this month." *Id.* at 2. Mr. Cann replied, "Yes sir, it is . . . 8490 confirmed." *Id.* at 1.

- 13. Celsius took Core Scientific at its word and relied upon that promise. Celsius both built this assumption into its financial projections and reduced the intensity of its search for alternative hosting services providers. But Core Scientific failed to adhere to its promise to have the March rigs up and running by June. Core Scientific acknowledged its responsibility for this delay. Attached hereto as **Exhibit E** is a true and correct copy of an email sent to Celsius by Mitchell Livingston, Core Scientific's Client Success Manager, on June 2, 2022. Mr. Livingston proposed that Celsius delay paying its invoices until after June 20, 2022, "as compensation for our delayed deployment schedule." *Id.* at 1.
- 14. Core Scientific did not fully deploy the March rigs until July 21, 2022. After the March rigs were deployed, between July 21, 2022, and September 16, 2022, Core Scientific had the March rigs online for a total of approximately eight days. No power was available to the March rigs for the remainder of that time. Thus, until September 16, 2022, Core Scientific was providing Celsius with only approximately 9.7 MWs of power under Order #10 (just 12% of the hosting capacity Core Scientific is obligated to provide), and only approximately 2,794 of Celsius' rigs were operational. On September 16, 2022, Core Scientific brought the March rigs back online, after leaving them idle for months.
- 15. Most recently, Celsius delivered a third tranche of 4,860 rigs to Core Scientific in June 2022. Despite having those rigs in its possession for more than three months, Core Scientific has failed to deploy 4,320 of those rigs. Instead, they are sitting idle.
- 16. Celsius has suffered and continues to suffer significant lost revenue and lost profits while its mining rigs sit idle. Celsius has stopped delivering rigs to Core Scientific under Order

#10 both because Core Scientific has refused to deploy the rigs in its possession and because Core Scientific has now prohibited Celsius from sending any more rigs under Order #10 because it is so far behind schedule.

- 17. Despite Core Scientific's acknowledgment of its own responsibility for the delays, Core Scientific has repeatedly threatened to terminate the contract with Celsius following the Petition Date because of Celsius' remaining pre-petition obligation. During an August 22, 2022, telephone call, Jeff Pratt, Core Scientific's Senior Vice President of Partnerships, stated to Amir Ayalon, Patrick Holert, and Chris Ferraro that no new deployments would go forward until Celsius caught up on its payment schedule.
- 18. Core Scientific has also made such threats in writing. Attached hereto as **Exhibit F** is a true and correct copy of an August 29, 2022, email from Core Scientific's billing department to Celsius. In this email, Core Scientific notifies Celsius that it has an invoice that is three days overdue, and "remind[s] [Celsius] of the following penalties for non-payment," which include, among others, "suspend[ing] the provision of the Services," "disconnect[ing] Client Equipment," and "terminat[ing] the MSA and all Orders thereunder." Notably, the only overdue amount was Celsius' pre-petition obligation.

III. Core Scientific's Failure To Notify Celsius Of Additional Hosting Capacity

19. In addition to its deployment delays and termination threats, Core Scientific failed to inform Celsius of any additional hosting availability at any point since Order #10 was signed. However, Core Scientific has continued to add rigs to its own fleet over the same period that it has been refusing to deploy Celsius' rigs. Core Scientific announced that as of December 2021, it was operating a fleet of approximately 67,000 rigs. *See* "Core Scientific Announces December Updates," https://investors.corescientific.com/investors/news/news-details/2022/Core-Scientific-Announces-December-Updates/default.aspx (January 5, 2022), last accessed September 19, 2022.

By April, Core Scientific's fleet had swelled to 85,000 rigs. *See* "Core Scientific Announces April Updates," https://corescientific.com/press/core-scientific-announces-april-updates/ (May 5, 2022), last accessed September 17, 2022. Core Scientific never informed Celsius of any additional hosting availability.

IV. Core Scientific's Attempt to "Pass Through" Its Power Costs

- 20. Following the Petition Date, Core Scientific has added a new line item to the invoices it sends to Celsius. On July 15, 2022, Celsius received its first invoice following the Petition Date. Attached hereto as **Exhibit G** is a true and correct copy of the cover email, invoice, and back up data for the July 15 invoice. The total amount invoiced to Celsius was approximately \$4.6 million. The invoice included a line item called "Power Costs Pass-through." Core Scientific had never previously included such a line item, or such a pass through, on prior invoices. This new "Power Costs Pass-through" totaled \$911,430.41. The invoice purported to retroactively impose the "Power Costs Pass-through" charges for services provided between May 2022 and June 2022.
- 21. The "Power Costs Pass-through" charge had never appeared on any pre-petition invoices. When Core Scientific added this line item, it explained the charge as follows: "Core Scientific has incurred continuing significant tariff increases since the implementation of our Master Services Agreement Core Scientific has been notified by its electrical utility suppliers of significant tariff increases due to rising fuel costs. As an Increased Costs [sic] under the Master Services Agreement (Section 4f), Core will be passing through such tariff increases without markup." Celsius did not pay the "Power Costs Pass-through" charges in the July 15, 2022, invoice because, according to the invoice, they had accrued pre-petition in May and June of 2022.
- 22. On August 16, 2022, Celsius received its second post-petition invoice from Core Scientific, totaling \$5.5 million. Attached hereto as **Exhibit H** is a true and correct copy of the cover email, invoice, and back up data for the August 16 invoice. Like the July 15 invoice, the

22-10965-mg Doc Filed 09/28/22 Entered 09/28/22 22:55:09 Main Document Pg 9 of 229

August 16 invoice also included the "Power Costs Pass-through" line item, which this time totaled \$1,031,168.84. Core Scientific gave the same explanation for this line item as it did for the July 15 invoice: it was a "tariff increase" that it was "passing through" under Section 4(f) of the MSA.

- 23. Celsius relied on Core Scientific's representation that the "Power Costs Pass-through" was a "tariff" that could be passed through to Celsius under Section 4(f) of the MSA, which allows Core Scientific to "pass through" to Celsius "any new taxes, levies, tariffs or governmental fees and charges with respect to the provision of Services." MSA § 4(f). Therefore, Celsius paid the the post-petition amounts in the invoice, including the post-petition portion of the "Power Costs Pass-through" item, in order to avoid a post-petition breach of the Agreement.
- 24. On September 15, 2022, Celsius received a third post-petition invoice from Core Scientific, totaling \$6.5 million. Attached hereto as **Exhibit I** is a true and correct copy of the cover email, invoice, and back up data for the September 15 invoice. Like the July 15 and the August 16 invoices, the September 15 invoice included the "Power Costs Pass-through" charge, which totaled \$1,740,896.00. Core Scientific gave the same explanation for this line item as it did for the July 15 and August 16 invoices: it was a "tariff increase" that Core Scientific was "passing through" under Section 4(f) of the MSA.
- 25. Celsius became concerned about the "Power Costs Pass-through" given that this charge had suddenly arisen after the Petition Date. On September 20, 2022, Celsius disputed the "Power Costs Pass-through" charge, and asked Core Scientific to provide "any documents and materials reflecting both the 'tariff increases' that Core Scientific claims it has incurred and the payment of those charges by Core Scientific." In response, Core Scientific provided two attachments and an embedded link. True and correct copies of Celsius' email to Core Scientific,

22-10965-mg Doc Filed 09/28/22 Entered 09/28/22 22:55:09 Main Document Pg 10 of 229

Core Scientific's response email, and the materials attached to/embedded in Core Scientific's response are attached hereto as **Exhibit J**.

26. One of the attachments to Core Scientific's email was a letter from the Murphy Electric Power Board to Core Scientific, which showed the "fuel cost adjustment" for "MSD class customers with Murphy Power Board." The second attachment to Core Scientific's email was a letter from the Tennessee Valley Authority, which showed the "fuel cost adjustment" for rates at "Core Scientific's Calvert City location." The link embedded in Core Scientific's email was to a webpage that showed the Energy Reliability Counsel of Texas's ("ERCOT") "Historical RTM Settlement Point Prices" for "Hubs and Load Zones."

V. The Parties' Recent Correspondence

- 27. On September 9, 2022, counsel for Celsius sent a letter to counsel for Core Scientific, a true and correct copy of which is attached hereto as **Exhibit K**. In this letter, Celsius demanded that Core Scientific fulfill its commitments under the Agreement and advised Core Scientific that its failure to do so is a violation of the automatic stay under Bankruptcy Code Section 362(a). Celsius sent this letter in an effort to resolve its issues with Core Scientific without seeking the Court's involvement.
- 28. Core Scientific finally responded by letter to counsel for Celsius on September 20, 2022, a true and correct copy of which is attached hereto as **Exhibit L**. Core Scientific explicitly disclaimed that it had invoked any of the contractual remedies referenced in its August 29, 2022, email, dismissing that email as "automated." Core Scientific denied that it failed to provide Celsius with the hosting capacity required by the MSA or Order #10.
- 29. Because Core is attempting to take advantage of Celsius' situation as a Debtor, Celsius felt it had to file this Motion in order to protect the estate.

EXHIBIT A

MASTER SERVICES AGREEMENT

This Master Services Agreement ("Agreement") effective as of December 18, 2020 ("Effective Date") is between CORE SCIENTIFIC, INC. ("Company") and CELSIUS CORE LLC ("Client").

WHEREAS, Client desires access to locate its Client Equipment (as defined below) at the Company Facility (as defined below) and receive certain Services (as defined below); and

WHEREAS, Company desires to provide such Services at its Company Facility.

The parties agree as follows:

1. AGREEMENT STRUCTURE

a. This Agreement provides general terms applicable to Company's provision of certain services, including, without limitation, colocation, hosting, rack space, security, monitoring, maintenance, utilities, Client Equipment maintenance and repair, facility management, account management, network and data access, technical support, and heat and thermal management services ("Services") to Client in a data center owned or operated by Company or its affiliates ("Company Facility") in mutually agreed transactions described in mutually executed ordering documents in the form of Exhibit A attached hereto that reference and are governed by this Agreement ("Orders"). Each Order will be a separate agreement between Company and Client and will be deemed to incorporate the terms of this Agreement by reference. Company may require Customer to provide evidence of creditworthiness or credit support acceptable to Company in its sole discretion as a condition to accepting any Order. In the event of any conflict or inconsistency between the terms of this Agreement and the specific terms of an Order, the specific terms of the Order govern with respect to such Order.

2. SERVICES AND COMPANY FACILITY

- a. Company will provide Client the Services at a Company Facility set forth in an Order. This Agreement is not intended to and does not constitute a lease of any real or personal property or a grant of any other real property interest. Unless otherwise set forth in an Order, Client Equipment is owned by Client will not be construed as fixtures or fittings or otherwise attached to a Company Facility. Company retains title to all racking, connectors, fittings, parts and other materials used or provided by Company at a Company Facility to provide Client the Services. Client acknowledges and agrees that access to a Company Facility may be provided only during Company's ordinary business hours and only upon Company's prior written consent, which shall be subject in all events to the terms of this Agreement and may be withheld, conditioned or delayed in Company's sole discretion. Client will be liable for the actions of all persons accessing Company Facility on its behalf.
- b. Company has the right to review and the sole right to approve any delivery, installation (including, without limitation, the location and position of Client Equipment at the Company Facility), replacement or removal work with respect to Client's computer hardware or other tangible equipment ("Client Equipment") at a Company Facility. Client shall be fully responsible for delivering all Client Equipment to Company at a specified Company Facility on or before the applicable scheduled delivery date, each as specified in an Order. Client will be responsible for all risk of loss or damage to Client Equipment at all times until such Client Equipment is accepted by Company at a designated Company Facility.
- c. Client Equipment will adhere to Company's specifications, procedures, rules, and regulations, including, without limitation, equipment labeling and tracking and security practices and policies for the Company Facility, all of which are incorporated herein by this reference. If Company determines in its sole

discretion that Client Equipment or related operating software does not conform to its policies or is not suitable for the provision of Services at the Company Facility, Company may suspend installation of Client Equipment and operating software or commencement of the Services until Company approves of the Client Equipment and operating software. Company has no responsibility or liability for any loss or damage to Client Equipment, including without limitation any damage to Client Equipment, failure to adhere to any manufacturer warranty, the voiding of any manufacturer warranty or loss of or inability to collect under any manufacturer warranty, unless directly caused by the gross negligence, bad faith or willful misconduct of Company.

- d. Client is responsible for costs and expenses regarding the installation, repair, replacement and removal of Client Equipment and tariffs, taxes, shipping costs or other expenses associated with owning, shipping, importing or transporting Client Equipment. Upon any expiration or termination of an applicable Order, Company will provide Client with a written notice, which may be by email (the "Retrieval Notice"), of the date when Client Equipment is ready to be removed from Company Facility, which will be at Client's sole expense. Such notice will document the condition of Client Equipment being prepared for shipment, any outstanding amounts owed by Client to Company and Client shall have five (5) calendar days from the date set forth in the Retrieval Notice to pay any outstanding amounts owed to Company and remove at Client's sole cost and expense Client Equipment from Company Facility. Client will hold Company harmless from any damage caused to Client Equipment during such pickup and removal of Client Equipment. The failure or delay by Client to retrieve Client Equipment on or before the date set forth in the Retrieval Notice will constitute abandonment of Client Equipment under the laws of the jurisdiction where the Client Equipment is located and Company will be entitled to pursue at Client's sole risk and expense all available remedies, including, without limitation, the actions set forth in Section 4(d), as applicable.
- e. In order to continue to provide the Services, from time to time Company may request, and Client shall promptly provide, information regarding Client Equipment, Client's related operating software, Client's systems, and other information reasonably necessary in Company's provision of the Services.
- f. If software and services of a third party are requested by Client in conjunction with the Services ("Third Party Services") and identified in an Order, Client acknowledges and agrees that such Third Party Services are the responsibility of the third party, subject to separate terms and conditions between such third party and Client and Company accepts no responsibility for the performance of such Third Party Services or any loss or damage arising from or associated with the provision of such Third Party Services.

3. PAYMENT TERMS AND TAXES

- a. Company will invoice Client monthly in advance for all applicable fees for use of Company Facility and provision of Services as set forth in the applicable Order. Client will pay all invoiced amounts in US dollars within ten (10) calendar days of the date of the invoice. All payments must be (i) in US dollars into an ACH account number as set forth in the applicable Order; or (ii) to another account or form of payment directed by Company. Interest shall be charged on past due amounts at the lesser of (A) one and a half percent (1.5%) per month; or (B) the highest rate permitted by applicable law.
- b. Client may, in good faith, dispute any invoice or any part thereof (a "**Disputed Amount**") by submitting a written notice of such dispute along with reasonable supporting documentation within three (3) calendar days of the date of the initial invoice on which the Disputed Amount appears, failing which Client waives all rights to dispute such Disputed Amount and to file any claim. Company will review the Disputed Amount after its receipt of the relevant notice and if Company determines that Client was billed in error, a credit for the amount invoiced incorrectly will be made to the next invoice. If Company determines that the amount was invoiced correctly, Client will pay the amount by the due date of the next invoice. For clarity, Client shall promptly pay all undisputed amounts.

c. All amounts payable to Company under this Agreement exclude applicable taxes. Client is responsible for (i) taxes related to its activities and the ownership and operation of Client Equipment; and (ii) taxes imposed, levied or assessed thereon by any governmental or other authorities. If Client is required to make any deduction, withholding or payment for taxes in any jurisdiction on amounts payable to Company, such amounts will be increased such that after making such deduction, Company receives an amount equal to what it would have received if such deduction, withholding or payment had not been made.

4. TERM, TERMINATION, MODIFICATION AND SUSPENSION

- a. This Agreement commences on the Effective Date and continues until terminated as permitted by this Agreement. Each Order commences on the effective date set forth in the Order, has the initial term ("Initial Term") set forth in the Order, and thereafter automatically renews for the additional periods set forth in the Order, or if no renewal period is set forth then one (1) year periods, (each, a "Renewal term" and collectively, the "Term") unless Client notifies Company in writing not less than ninety (90) calendar days before such renewal of its desire for the order not to renew.
- b. Either party may terminate an Order upon written notice to the other party and take such other action identified in Section 4 d. below if the other party materially breaches such Order or this Agreement and fails to cure such breach within thirty (30) calendar days (5 days in the case of failure to pay an Unpaid Balance (as defined below) or 2 days in the case of failure to pay an Unpaid Balance two or more times during any twelve month period). If the breach (other than Client failure to pay amounts when due) cannot be cured within thirty (30) calendar days, the breaching party shall be given a reasonable period of time, but not to exceed sixty (60) calendar days after receipt of the notice, to cure the breach, provided that the breaching party acts promptly and diligently to cure such breach.
- c. Either party may terminate this Agreement upon written notice to the other party if there have been no Orders in effect for twelve (12) consecutive months.
- d. In addition to the remedy set forth in Section 4 b. above if Client fails to pay all invoiced amounts when due (an "**Unpaid Balance**"), or otherwise fails to perform any of its obligations under this Agreement after opportunity to cure as provided in Section 4 b above Company may, in its sole discretion, take certain actions including, without limitation, the following actions, at Client's sole risk and expense:
 - (i) suspend the provision of the Services;
 - (ii) disconnect Client Equipment and store it;
 - (iii) declare all amounts due under the applicable Order through the balance of the Term to be immediately due and payable;
 - (iv) operate Client Equipment for cryptocurrency mining and other activities at Company's sole discretion and direct all resulting proceeds to Company's own account until Company has recovered all amounts due, including, without limitation, any reinstatement, disconnection or storage fees or costs;
 - (v) terminate this Agreement and all Orders; and
 - (vi) exercise all other rights under this Agreement, at law, in equity or otherwise.

Unless Company has terminated this Agreement, Company will reverse the suspension of the provision of the Company Facility and Services and disconnection of Client Equipment as soon as reasonably practical after it is satisfied Client has cured the acts or omissions giving rise to the suspension and disconnection. In connection with the foregoing, Company may charge a reinstatement fee. Thereafter, Company may, at its sole discretion, require an advance payment equal to the amount of one billing invoice.

e. Notwithstanding anything in this Agreement to the contrary, Company may suspend its provision of

all or a portion of the Services and disconnect all of a portion of Client Equipment immediately if Company determines in its sole discretion that: Client's use of the Services or Client Equipment (i) may adversely impact or pose a security risk to Company's operation or maintenance of the Company Facility or Company's other clients; (ii) may subject Company to liability; or (iii) is not in compliance with this Agreement or Company's policies. For clarity, during the period of suspension or disconnection, Client remains responsible for all fees and charges Client incurs during such period. Further, after the Effective Date, if Company determines in its sole and absolute discretion that as a result of any change in, or interpretation, introduction or administration of, any laws, regulations, statutes, treaties, rules, guidelines, ordinances, codes or the like, or any proposed or anticipated changes in, or interpretations, introduction or administration of the foregoing (a "Change in Law"), has resulted in an increase in Company's cost of compliance with such Change in Law then Company may, in its commercially reasonable discretion, take certain actions, including, without limitation, the following actions, at Client's sole risk and expense: (i) terminate this Agreement, any or all Orders; and/or (ii) modify the Services as may be necessary to account for such Change in Law. Company will use commercially reasonable efforts to notify Client of such Company actions and the effective date of such actions.

- f. Further, and notwithstanding the Change in Law related costs above, after the Effective Date, if there are any increases, changes in, or introduction or administration of, any new taxes, levies, tariffs or governmental fees and charges with respect to the provision of Services, Company may, in its sole and absolute discretion, pass through all such amounts to Client ("**Increased Costs**") and Client shall pay all Increased Costs in accordance with the payment and invoicing procedures as set forth in this Agreement.
- g. Company shall not be liable for any Client loss or damage whatsoever as a result of the exercise of its rights under this Agreement. Upon termination of this Agreement or an Order by Company, Company is entitled to recover from Client all loss or damages incurred by Company as a result of such termination, outstanding fees, costs, charges, assessments, reimbursements, and expenses (including, without limitation, costs of collection and reasonable attorneys' fees).
- h. In addition to Section 4(f), the Company may terminate or suspend all or a portion of the Services if necessary to be in compliance with applicable law, rules, regulations, administrative or judicial orders or decree. Company will use commercially reasonable efforts to notify Client, which may be via email or telephone, of such suspension. Client agrees that the Company shall have no liability whatsoever to Client for any damage, loss, expense or cost as a result of such termination or suspension.

Subject: Core Scientific Inc. August 2022 Hosting Invoice - Celsius Mining LLC

Hi Jenny and Praveena,

Hope you are doing well! Please see attached invoice INV42658 and associated support for your Hosting Services.

• Kindly note that Core Scientific has incurred continuing significant tariff increases since the implementation of our Master Services Agreement — Core Scientific has been notified by its electrical utility suppliers of significant tariff increases due to rising fuel costs. As an Increased Costs under the Master Services Agreement (Section 4f), Core will be passing through such tariff increases without markup. Hosting rate for July 2022 usage at Dalton, GA sites is the old rate plus \$0.030816/kWh. The tariff surcharges for your July 2022 usages in Calvert City and/or Marble 1 have been added to this invoice as well.

Subject: Core Scientific Inc. September 2022 Hosting Invoice - Celsius Mining LLC

Hi Jenny and Praveena,

Hope you are doing well! Please see attached invoice INV42672 and associated support for your Hosting Services.

Kindly note that Core Scientific has incurred continuing significant tariff increases since the implementation of our Master Services Agreement — Core Scientific has been notified by its electrical utility suppliers of significant tariff increases due to rising fuel costs. As an Increased Costs under the Master Services Agreement (Section 4f), Core will be passing through such tariff increases without markup. The tariff surcharges for your August 2022 usages in GA, KY and/or Marble 1, and TX sites have been added to this invoice.

Thank you, we appreciate your business and trust in Core Scientific!

Regards, Monica

Hi Monica,

We are in receipt of the invoice (INV42672) for August actual hosting cost. Your email indicates that Core Scientific has been notified of "significant tariff increases due to rising fuel costs," and that, as a result, "surcharges" have been added to the invoice pursuant to Section 4(f) of the Master Services Agreement ("MSA"). Pursuant to section 3(b) of the MSA, Celsius hereby disputes these surcharges as they appear in the invoice (INV42672) and any prior invoices, including the invoice (INV42658) for July actual hosting cost. While we dispute these surcharges, we do wish to work cooperatively in an effort to understand these charges and resolve this issue. To that end, please provide to Celsius any documents and materials reflecting both the "tariff increases" that Core Scientific claims it has incurred and the payment of those charges by Core Scientific, in each of the relevant jurisdictions (namely, Georgia, Kentucky, and Texas).

Thank you for your prompt attention to this matter. Jenny

Hi Jenny and Praveena,

Hope you are doing well! Please see attached invoice INV42672 and associated support for your Hosting Services.

Kindly note that Core Scientific has incurred continuing significant tariff increases since the implementation of our Master Services Agreement — Core Scientific has been notified by its electrical utility suppliers of significant tariff increases due to rising fuel costs. As an Increased Costs under the Master Services Agreement (Section 4f), Core will be passing through such tariff increases without markup. The tariff surcharges for your August 2022 usages in GA, KY and/or Marble 1, and TX sites have been added to this invoice.

Thank you, we appreciate your business and trust in Core Scientific!

Regards, Monica

Re: Celsius Network LLC et al., Case No. 22-10964 (MG) (Jointly Administered)

Dear Mr. DuChene:

Our firm represents Celsius Mining LLC ("Celsius"). As you may be aware, on July 13, 2022 (the "Petition Date"), Celsius, Celsius Network LLC, and certain of their affiliates (collectively, the "Debtors") filed petitions for relief under title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"). I write in regard to Core Scientific's ("Core") recent threats to terminate its contractual obligations and failure to otherwise perform under the Master Services Agreement (the "MSA") and Order #10 to the MSA ("Order #10") (together, the "Agreement"). 1

Upon the Debtors' filing of their petitions, all creditors were automatically stayed from taking certain actions against the Debtors pursuant to 11 U.S.C. § 362(a). Specifically, section 362(a)(3) of the Bankruptcy Code prohibits "any act to obtain possession of property of the estate or of property from the estate or to exercise control over property of the estate." Because the Agreement is an executory contract under which mutual performance remains due, the Debtors' interest in the Agreement constitutes property of the estate that is subject to the automatic stay. See, e.g., In re Enron Corp., 300 B.R. 201, 212 (Bankr. S.D.N.Y. 2003); In re Drexel Burnham Lambert Group, Inc., 138 B.R. 687, 701 (Bankr. S.D.N.Y. 1992) (holding that executory contracts are property of the estate).

¹ The MSA is attached hereto as <u>Exhibit A</u>. Order #10 is attached hereto as <u>Exhibit B</u>. Capitalized terms used herein and not otherwise defined shall have the meanings given to them in the MSA or Order #10, as applicable.

KIRKLAND & ELLIS LLP

Todd DuChene September 9, 2022 Page 2

It is blackletter law that threats to withhold contractual performance, or the failure to perform under an executory contract, violates the automatic stay. *See, e.g., Enron*, 300 B.R. at 212 ("[B]y unilaterally seeking to terminate [the agreement] and invoke its damages provisions, the Court finds that Claimant violated the automatic stay."); *In re Broadstripe, LLC*, 402 B.R. 646, 657 (Bankr. D. Del. 2009), as amended (Mar. 10, 2009) ("By refusing to perform its obligations under the Member Agreement, NCTC is interfering with Broadstripe's property rights under the Member Agreement and acting in violation of the automatic stay."); *In re Elder-Beerman Stores Corp.*, 195 B.R. 1019, 1024 (Bankr. S.D. Ohio 1996) ("Thomasville's actions in attempting to cancel its contract with Elder–Beerman were in violation of the automatic stay.").

By its actions, Core has violated the automatic stay in at least the following ways:

- Following the Petition Date, Core has threatened—both during a phone call on August 22, 2022, and in emails (*see* email attached hereto as **Exhibit C**)—to terminate the Agreement or withhold performance.
- Under the Agreement, Celsius is entitled to have, and Core is obligated to provide, 71 megawatts as of August 2022 (the hosting capacity to operate at least 22,536 Celsius rigs). But Core is providing Celsius with only 9.8 megawatts (just 2,785 Celsius rigs).
- Core continues to fail to inform Celsius of additional hosting availability, despite its obligation to do so under the parties' Agreement.

In addition to violating the automatic stay, Core has breached the parties' Agreement in numerous ways, both before and after the Petition Date. First, Core deviated substantially from the mining rig deployment schedule the parties agreed upon in Order #10. Core delayed deploying Celsius's mining rigs several weeks—and even months—past the agreed-upon deployment dates. Second, Core failed to notify Celsius of additional hosting availability. Instead, between December 2021 and April 2022 Core increased its own mining fleet from 67,000 to 85,000 mining rigs, while failing to notify Celsius of any additional hosting availability.

Celsius has attempted to amicably resolve these delays with Core, and Core has acknowledged its fault for the delays on several occasions. For example, on May 25, 2022, Core represented to Celsius that it would deploy 8,490 mining rigs by June 2022. Celsius agreed to that representation and relied upon it. But that representation was false, and Core again failed to meet the parties' agreed-upon deployment schedule.

Core's refusal to honor the terms of the Agreement violates the Bankruptcy Code, constitutes a breach of contract, and contravenes the representations that Core made to Celsius and

KIRKLAND & ELLIS LLP

Todd DuChene September 9, 2022 Page 3

that Celsius relied upon. As a result of Core's delays, as of the end of August 2022, Celsius has suffered losses in excess of \$20 million, and continues to suffer additional losses with each day that Core refuses to satisfy its contractual obligations and immediately deploy Celsius's mining rigs.

Because Core's actions violate the automatic stay, they are void and without effect, and may necessitate proceedings in the Bankruptcy Court with the attendant possibility of damages, sanctions, costs, and other expenses. *See Fidelity Mortg. Inv'rs v. Camelia Builders, Inc.*, 550 F.2d 47 (2d Cir. 1976), *cert. denied*, 429 U.S. 1093 (1977); *Cent. States, Se. and Sw. Areas Pension Fund v. Slotky*, 956 F.2d 1369 (7th Cir. 1992).

The Debtors hereby demand that Core remedy its violations, withdraw its threats to withhold performance, and immediately deploy Celsius's mining rigs pursuant to the terms of the Agreement. If Celsius is not promptly provided written assurance that Core will do so, Celsius is fully prepared to take all actions available to it at law and equity, including seeking expedited relief from the Bankruptcy Court, forcing Core to perform pursuant to the terms of the Agreement, and pursuing claims for any and all damages incurred by Celsius as a result of Core's actions.

Please promptly confirm, in writing, that Core will immediately continue to honor its obligations under the Agreement and make no further attempt to terminate or otherwise fail to perform under the Agreement. If you have any questions or would like to discuss, please let me know. For the avoidance of doubt, the Debtors reserve all rights at law and in equity and waive none.

Sincerely,

/s/ Judson Brown

MASTER SERVICES AGREEMENT

This Master Services Agreement ("Agreement") effective as of December 18, 2020 ("Effective Date") is between CORE SCIENTIFIC, INC. ("Company") and CELSIUS CORE LLC ("Client").

WHEREAS, Client desires access to locate its Client Equipment (as defined below) at the Company Facility (as defined below) and receive certain Services (as defined below); and

WHEREAS, Company desires to provide such Services at its Company Facility.

The parties agree as follows:

1. AGREEMENT STRUCTURE

a. This Agreement provides general terms applicable to Company's provision of certain services, including, without limitation, colocation, hosting, rack space, security, monitoring, maintenance, utilities, Client Equipment maintenance and repair, facility management, account management, network and data access, technical support, and heat and thermal management services ("Services") to Client in a data center owned or operated by Company or its affiliates ("Company Facility") in mutually agreed transactions described in mutually executed ordering documents in the form of Exhibit A attached hereto that reference and are governed by this Agreement ("Orders"). Each Order will be a separate agreement between Company and Client and will be deemed to incorporate the terms of this Agreement by reference. Company may require Customer to provide evidence of creditworthiness or credit support acceptable to Company in its sole discretion as a condition to accepting any Order. In the event of any conflict or inconsistency between the terms of this Agreement and the specific terms of an Order, the specific terms of the Order govern with respect to such Order.

2. SERVICES AND COMPANY FACILITY

- a. Company will provide Client the Services at a Company Facility set forth in an Order. This Agreement is not intended to and does not constitute a lease of any real or personal property or a grant of any other real property interest. Unless otherwise set forth in an Order, Client Equipment is owned by Client will not be construed as fixtures or fittings or otherwise attached to a Company Facility. Company retains title to all racking, connectors, fittings, parts and other materials used or provided by Company at a Company Facility to provide Client the Services. Client acknowledges and agrees that access to a Company Facility may be provided only during Company's ordinary business hours and only upon Company's prior written consent, which shall be subject in all events to the terms of this Agreement and may be withheld, conditioned or delayed in Company's sole discretion. Client will be liable for the actions of all persons accessing Company Facility on its behalf.
- b. Company has the right to review and the sole right to approve any delivery, installation (including, without limitation, the location and position of Client Equipment at the Company Facility), replacement or removal work with respect to Client's computer hardware or other tangible equipment ("Client Equipment") at a Company Facility. Client shall be fully responsible for delivering all Client Equipment to Company at a specified Company Facility on or before the applicable scheduled delivery date, each as specified in an Order. Client will be responsible for all risk of loss or damage to Client Equipment at all times until such Client Equipment is accepted by Company at a designated Company Facility.
- c. Client Equipment will adhere to Company's specifications, procedures, rules, and regulations, including, without limitation, equipment labeling and tracking and security practices and policies for the Company Facility, all of which are incorporated herein by this reference. If Company determines in its sole

discretion that Client Equipment or related operating software does not conform to its policies or is not suitable for the provision of Services at the Company Facility, Company may suspend installation of Client Equipment and operating software or commencement of the Services until Company approves of the Client Equipment and operating software. Company has no responsibility or liability for any loss or damage to Client Equipment, including without limitation any damage to Client Equipment, failure to adhere to any manufacturer warranty, the voiding of any manufacturer warranty or loss of or inability to collect under any manufacturer warranty, unless directly caused by the gross negligence, bad faith or willful misconduct of Company.

- d. Client is responsible for costs and expenses regarding the installation, repair, replacement and removal of Client Equipment and tariffs, taxes, shipping costs or other expenses associated with owning, shipping, importing or transporting Client Equipment. Upon any expiration or termination of an applicable Order, Company will provide Client with a written notice, which may be by email (the "Retrieval Notice"), of the date when Client Equipment is ready to be removed from Company Facility, which will be at Client's sole expense. Such notice will document the condition of Client Equipment being prepared for shipment, any outstanding amounts owed by Client to Company and Client shall have five (5) calendar days from the date set forth in the Retrieval Notice to pay any outstanding amounts owed to Company and remove at Client's sole cost and expense Client Equipment from Company Facility. Client will hold Company harmless from any damage caused to Client Equipment during such pickup and removal of Client Equipment. The failure or delay by Client to retrieve Client Equipment on or before the date set forth in the Retrieval Notice will constitute abandonment of Client Equipment under the laws of the jurisdiction where the Client Equipment is located and Company will be entitled to pursue at Client's sole risk and expense all available remedies, including, without limitation, the actions set forth in Section 4(d), as applicable.
- e. In order to continue to provide the Services, from time to time Company may request, and Client shall promptly provide, information regarding Client Equipment, Client's related operating software, Client's systems, and other information reasonably necessary in Company's provision of the Services.
- f. If software and services of a third party are requested by Client in conjunction with the Services ("**Third Party Services**") and identified in an Order, Client acknowledges and agrees that such Third Party Services are the responsibility of the third party, subject to separate terms and conditions between such third party and Client and Company accepts no responsibility for the performance of such Third Party Services or any loss or damage arising from or associated with the provision of such Third Party Services.

3. PAYMENT TERMS AND TAXES

- a. Company will invoice Client monthly in advance for all applicable fees for use of Company Facility and provision of Services as set forth in the applicable Order. Client will pay all invoiced amounts in US dollars within ten (10) calendar days of the date of the invoice. All payments must be (i) in US dollars into an ACH account number as set forth in the applicable Order; or (ii) to another account or form of payment directed by Company. Interest shall be charged on past due amounts at the lesser of (A) one and a half percent (1.5%) per month; or (B) the highest rate permitted by applicable law.
- b. Client may, in good faith, dispute any invoice or any part thereof (a "**Disputed Amount**") by submitting a written notice of such dispute along with reasonable supporting documentation within three (3) calendar days of the date of the initial invoice on which the Disputed Amount appears, failing which Client waives all rights to dispute such Disputed Amount and to file any claim. Company will review the Disputed Amount after its receipt of the relevant notice and if Company determines that Client was billed in error, a credit for the amount invoiced incorrectly will be made to the next invoice. If Company determines that the amount was invoiced correctly, Client will pay the amount by the due date of the next invoice. For clarity, Client shall promptly pay all undisputed amounts.

c. All amounts payable to Company under this Agreement exclude applicable taxes. Client is responsible for (i) taxes related to its activities and the ownership and operation of Client Equipment; and (ii) taxes imposed, levied or assessed thereon by any governmental or other authorities. If Client is required to make any deduction, withholding or payment for taxes in any jurisdiction on amounts payable to Company, such amounts will be increased such that after making such deduction, Company receives an amount equal to what it would have received if such deduction, withholding or payment had not been made.

4. TERM, TERMINATION, MODIFICATION AND SUSPENSION

- a. This Agreement commences on the Effective Date and continues until terminated as permitted by this Agreement. Each Order commences on the effective date set forth in the Order, has the initial term ("Initial Term") set forth in the Order, and thereafter automatically renews for the additional periods set forth in the Order, or if no renewal period is set forth then one (1) year periods, (each, a "Renewal term" and collectively, the "Term") unless Client notifies Company in writing not less than ninety (90) calendar days before such renewal of its desire for the order not to renew.
- b. Either party may terminate an Order upon written notice to the other party and take such other action identified in Section 4 d. below if the other party materially breaches such Order or this Agreement and fails to cure such breach within thirty (30) calendar days (5 days in the case of failure to pay an Unpaid Balance (as defined below) or 2 days in the case of failure to pay an Unpaid Balance two or more times during any twelve month period). If the breach (other than Client failure to pay amounts when due) cannot be cured within thirty (30) calendar days, the breaching party shall be given a reasonable period of time, but not to exceed sixty (60) calendar days after receipt of the notice, to cure the breach, provided that the breaching party acts promptly and diligently to cure such breach.
- c. Either party may terminate this Agreement upon written notice to the other party if there have been no Orders in effect for twelve (12) consecutive months.
- d. In addition to the remedy set forth in Section 4 b. above if Client fails to pay all invoiced amounts when due (an "**Unpaid Balance**"), or otherwise fails to perform any of its obligations under this Agreement after opportunity to cure as provided in Section 4 b above Company may, in its sole discretion, take certain actions including, without limitation, the following actions, at Client's sole risk and expense:
 - (i) suspend the provision of the Services;
 - (ii) disconnect Client Equipment and store it;
 - (iii) declare all amounts due under the applicable Order through the balance of the Term to be immediately due and payable;
 - (iv) operate Client Equipment for cryptocurrency mining and other activities at Company's sole discretion and direct all resulting proceeds to Company's own account until Company has recovered all amounts due, including, without limitation, any reinstatement, disconnection or storage fees or costs;
 - (v) terminate this Agreement and all Orders; and
 - (vi) exercise all other rights under this Agreement, at law, in equity or otherwise.

Unless Company has terminated this Agreement, Company will reverse the suspension of the provision of the Company Facility and Services and disconnection of Client Equipment as soon as reasonably practical after it is satisfied Client has cured the acts or omissions giving rise to the suspension and disconnection. In connection with the foregoing, Company may charge a reinstatement fee. Thereafter, Company may, at its sole discretion, require an advance payment equal to the amount of one billing invoice.

e. Notwithstanding anything in this Agreement to the contrary, Company may suspend its provision of

all or a portion of the Services and disconnect all of a portion of Client Equipment immediately if Company determines in its sole discretion that: Client's use of the Services or Client Equipment (i) may adversely impact or pose a security risk to Company's operation or maintenance of the Company Facility or Company's other clients; (ii) may subject Company to liability; or (iii) is not in compliance with this Agreement or Company's policies. Company will use commercially reasonable efforts to notify Client, which may be via email or telephone, of such suspension or disconnection. Company will use commercially reasonable efforts to reverse such suspension or disconnection as soon as reasonably practical after it is satisfied that Client has cured the acts or omissions giving rise to such suspension and disconnection. In connection with the foregoing, Company may charge a reinstatement fee as set forth in the applicable Order. Further, Company may terminate this Agreement and all Orders if such suspension or disconnection continues for at least two (2) calendar days or occurs more than three (3) times in any twelve (12) month period. For clarity, during the period of suspension or disconnection, Client remains responsible for all fees and charges Client incurs during such period. Further, after the Effective Date, if Company determines in its sole and absolute discretion that as a result of any change in, or interpretation, introduction or administration of, any laws, regulations, statutes, treaties, rules, guidelines, ordinances, codes or the like, or any proposed or anticipated changes in, or interpretations, introduction or administration of the foregoing (a "Change in Law"), has resulted in an increase in Company's cost of compliance with such Change in Law then Company may, in its commercially reasonable discretion, take certain actions, including, without limitation, the following actions, at Client's sole risk and expense: (i) terminate this Agreement, any or all Orders; and/or (ii) modify the Services as may be necessary to account for such Change in Law. Company will use commercially reasonable efforts to notify Client of such Company actions and the effective date of such actions.

- f. Further, and notwithstanding the Change in Law related costs above, after the Effective Date, if there are any increases, changes in, or introduction or administration of, any new taxes, levies, tariffs or governmental fees and charges with respect to the provision of Services, Company may, in its sole and absolute discretion, pass through all such amounts to Client ("**Increased Costs**") and Client shall pay all Increased Costs in accordance with the payment and invoicing procedures as set forth in this Agreement.
- g. Company shall not be liable for any Client loss or damage whatsoever as a result of the exercise of its rights under this Agreement. Upon termination of this Agreement or an Order by Company, Company is entitled to recover from Client all loss or damages incurred by Company as a result of such termination, outstanding fees, costs, charges, assessments, reimbursements, and expenses (including, without limitation, costs of collection and reasonable attorneys' fees).
- h. In addition to Section 4(f), the Company may terminate or suspend all or a portion of the Services if necessary to be in compliance with applicable law, rules, regulations, administrative or judicial orders or decree. Company will use commercially reasonable efforts to notify Client, which may be via email or telephone, of such suspension. Client agrees that the Company shall have no liability whatsoever to Client for any damage, loss, expense or cost as a result of such termination or suspension.

Judson Brown, P.C. Kirkland & Ellis LLP 1301 Pennsylvania Avenue, N.W. Washington, D.C. 20004

Re: Master Services Agreement Between Core Scientific Inc. and Celsius Network LLC, Dated December 18, 2020 (the "Master Services Agreement")

Dear Mr. Brown:

Cooley is counsel to Core Scientific, Inc. ("Core"). In that capacity, I am responding to your letter to Todd DuChene dated September 9, 2022 regarding the above referenced Master Services Agreement (the "Agreement") and various Orders that incorporate the Agreement (the "September 9 Letter"). All capitalized terms have the meanings given to them in the Agreement unless otherwise defined.

Your September 9 Letter accuses Core of "threats to terminate" the Agreement and "failure to otherwise perform under the [Agreement]." These accusations are baseless. The sole evidence cited in support of the alleged "threats to terminate" is an automatically generated message from Core's accounts payable email address. (September 9 Letter, Ex. C.) This automatically generated email cites a list of remedies for non-payment that are standard to Core's service agreements, and which appear in Section 4 of the Agreement between Core and Celsius. Notably, the automated email does not actually invoke any of the referenced remedies, let alone termination. Furthermore, there is no indication that any real person from Core initiated the email transmission to Celsius or had its debtor in possession status in mind. No reasonable person could form a belief that the automated communication constituted a threat to terminate the Agreement. ¹ To resolve all doubt, Core disclaims the automated email as an invocation of Section 4 of the Agreement.

Celsius' accusations of breach also lack merit. First, Core is not obligated to "inform Celsius of additional hosting availability." The Agreement contains no such requirement, and Core identifies no provision in the Agreement to support such a claim. Core disputes Celsius' claim that Core has failed to provide Celsius with hosting capacity in accordance with the Agreement or any Order. For example, Celsius does not allege that Core has taken any Client Equipment off-line or refused to install any Client Equipment. Celsius alleges certain delays from earlier in 2022 but does not specify any pending uncured breaches by Core, let alone any threats by Core to breach the Agreement. Moreover, any alleged breaches would be subject to the cure periods set forth in Section 4(b) of the Agreement and subject to the limitation of liability provisions of Section 5.

¹ Also notable are the extensive redactions to subsequent messages among personnel for Celsius and a non-lawyer at its outside consultants Alvarez & Marsal, casting doubt over whether Celsius actually perceived the automated email as a "threat to terminate" the Agreement. The September 9 Letter also references an alleged verbal threat to terminate the Agreement "during a phone call on August 22, 2022 email, but does not identify a source of the alleged threat. In any event Core has never invoked the termination provisions of Section 4 of the Agreement.

Judson Brown, P.C. September 20, 2022 Page Two

For these reasons, the authorities cited in the September 9 Letter are inapposite to the facts. Core reserves all of its legal rights, including without limitations, all rights as a creditor under the Bankruptcy Code.

While Celsius prematurely and without basis rushes to judgment that Core has threatened to terminate the Agreement (or is in material uncured breach), the fact remains that Celsius has accrued, and is accruing, post-petition obligations under the Agreement, and it appears that Celsius desires that its contractual arrangement with Celsius be a central piece of its reorganization plans. (See e.g. Ex. C to September 9, 2022 Letter.) If that is indeed the case, and as I'm sure you are aware (i) Celsius must perform its own monetary obligations under the Agreement during the pendency of its chapter 11 proceeding in order to continue to enjoy the benefits of a continuing relationship with Core; and (ii) to the extent it wishes to assume the Agreement, it must make the requisite showing of adequate assurances of future performance and cure its outstanding obligations, including any payments owed to Celsius at this time. Otherwise, Core will have no option but to seek remedies and relief from the Court with respect to the Agreement. The September 9, 2022 Letter is conspicuously silent on those vital issues, which are necessary to continue the current commercial arrangement. As I described in our telephone call on September 14, Core had been expecting the parties to continue in discussions of how they may wish to proceed with their relationship under the Agreement, now that Celsius is a debtor in possession. Core welcomes such discussions and is committed to engaging in good faith and reserves all rights with respect to all of the foregoing.

Sincerely,

Mark F. Lambert
